

## Barge Canal Optimist club of LKPT 5<sup>th</sup> and 6<sup>th</sup> Grade Girls Basketball Program

*Providing free instructional basketball to our community's youth. We look forward to another great year in 2017! Our season runs from the end of January through mid March of 2017.*

Our goal is helping our youth learn the fundamentals of basketball, understand how to work as a team, and most importantly have lots of fun!

Each participant will receive a team jersey for their respective team. Each student will be placed on a team and contacted by the coach by mid-late December.

Practices will be coordinated by the coach of each team and held at a local elementary school's gyms.

- Games will start the end of January and take place at Emmett Belknap middle school gym on Saturdays.
