

# TOWN OF LOCKPORT

## 2018 SUMMER EDITION

Although spring arrived a month ago, winter held on through April. We all are looking forward to a well-deserved summer. The Town of Lockport has some big projects scheduled for the next few months. We are taking advantage of a NYSEG Program that will allow us to convert all of our fluorescent light fixtures to high efficiency light-emitting diodes (LEDs). NYSEG will cover up to 70% of the cost through their Small Business Direct Install Program. We have 536 light fixtures that will be converted throughout all our Town Buildings. The LEDs are estimated to last over twenty years. Best of all, our lower energy bills will save the Town a substantial amount of money that will pay for our share of the program in less than 7 months! NYSEG estimates the Town of Lockport will show a savings of \$231,000 over the next 5 years! Lastly, the Town Board is considering converting all our Town streetlights to LEDs. These projects are environmentally-conscious energy investments in our future. Saving money and helping the environment is winning combination!

Another big project that will be completed this year is the Lockport Family YMCA Facility. This new project will provide a full size gymnasium, three locker rooms, two swimming pools, co-ed sauna

and steam rooms, indoor climbing wall, multi-purpose rooms for children's activities, indoor running/jogging track, and a wellness center for aerobics and weight training. This centrally located YMCA facility will provide Lockport teens a place to go after school to enjoy some sports activities. The Town received a grant to build sidewalks down Snyder to the YMCA so kids won't have to walk in the street when coming from the high school.

We were disappointed to hear about the BonTon closing. They have been a good neighbor for many years. The Town Board and Economic Development Office will continue to work to make our area the best environment possible for businesses. Our business corridor is very active and will continue to grow.

With schools finishing for summer break, more kids will be out playing. Please slow down and keep a watchful eye for children. Also, our high-way and water crews will be extremely busy doing seasonal work. Please slow down and respect the work zones.

Sincerely, Mark Crocker  
Lockport Supervisor

## PLEASE HELP US AVOID SEWAGE BACKUPS.

Dear Residents:

### PLEASE READ AND TAKE NOTICE.

In the past few years the Town of Lockport Sewer Department has been having issues with sewer pumps getting clogged up with flushable wipes, grease, rags, sanitary feminine products, etc. These are not normal items in which can be dissolved or degraded into the sewer system. The flushable wipes bind with grease or other substances and clog the pipes and pumps. **When this happens, it creates a sewer back up into** residential homes and businesses.

In an effort to avoid this, we would ask that human waste and toilet paper **ONLY** be flushed down the

toilet. Things that should **NOT** go into the toilet, sink or sewer system include wipes of any kind including baby, non-flushable or flushable, rags of any kind, feminine products, cooking grease, dog and cat waste, hair, floor cleaning wipes including Swiffer.

If you have any questions regarding this notice, please feel free to contact our Water and Sewer Office during regular business hours which are Monday – Friday 8:30 AM to 4:30 PM excluding holidays.

Thank you,  
Mark C. Crocker  
Town Supervisor

# Town Assessor

## Annual Re-Assessment Program

The Town of Lockport continues in its 19th year of annual re-assessment, to maintain its equalization level at 100% of market value. All properties in the Town are analyzed. Any changes will be determined by recent sale information showing an increase or decrease in value.

Change of Assessment Notices are mailed around the first week of April. Any physical changes to the property, including additions, garages, pole barns, sheds, decks and demolition of structures; may also affect the assessments. Please review these notices. Informal meetings with the assessor are available in April, by appointment. Formal challenges to the assessments can be scheduled for the Board of Assessment Review on or before, Tuesday, May 28, 2019, by appointment.

Why? Why does the Town keep raising my assessment? The Town of Lockport has maintained its 100% equalization since 2001. Why? It's about fair and equal values, and has additional benefits. It keeps rates as low as possible, and it allows residents to receive 100% of their exemptions. As the equalization rate decreases, so does the value of your exemptions.

We continue to track the local real estate market, and so does New York State. Without re-assessments, the equalization rate would decrease as property continues to sell above assessed values. In order to stay at our 100% equalization rate, adjustments have to be made. We review everything; land, commercial, residential, etc. to keep assessments fair and equitable.

If we stopped doing re-assessments, we would see a significant drop in equalization, increased rates, reduced exemptions and unfair assessments. Not to mention the cost associated with re-evaluate everything in the town, if a longer period of time elapsed between projects.

The Town operates as a well-oiled machine, with a small, dedicated group of employees. Our leadership has managed to balance fiscal responsibility with provided the best possible services for our tax payers, all without a general municipal town tax. Regular re-assessment assures that the burden of property taxation is spread evenly and fairly across the assessment roll.

# Town Board

at 33 Ontario Street,  
welcomes you this summer!

This six week course will provide caregivers with resources and support needed to not only take care of your loved one, but also how to take care of yourself! Please call The Dale to register @ 716-433-1886
- October 10th - 5:00 pm Medicare Informational Forum POWER IS KNOWLEDGE!** This event will answer all of your questions regarding this most confusing topic. More information to follow.
- November 9th - Veterans Forum 4:30 - 6:30 pm** For our military members and their families. Be sure you are receiving each and every benefit available to you. More information to follow.
- All events will be held at Town Hall, 6560 Dysinger Rd. I hope you will join us at your Town Hall. I look forward to seeing you "around Town"!

Pat Dufour  
Council Member

# Highway Department

**Refuse/Recycling Pick Up** Please remember to have your garbage/recycling out by 6 am. Also, if your garbage/recycling haven't been picked up, remember there may be a few things that have happened. The truck could've broken down, a new driver may be doing the route and they do have to empty the truck. If you still haven't been picked up by 3 pm, please call the highway office at 439-9522. The highway clerk will call our representative from Waste Management to find out what is happening. Also, Waste Management only has major holidays off: New Year's Day, Memorial Day, 4th of July, Labor Day, Thanksgiving and Christmas.

**Brush Pick Up** Brush pick up is the third Monday of the month from March – November. Please have it out by Sunday night. The highway department picks up brush throughout the town. Please be patient if your brush hasn't been picked up on Monday, it will be soon after.

**Recycling Shed** Our recycling shed is opened the last Saturday of the month from now until November. The hours are 9 am – 1 pm. You may drop off 4 items at a time.

**Propane Tanks** You may take propane tanks to Amerigas on Robinson Road in Lockport (625-8282) or Went's on Ward Road in Sanborn (731-9826)

**Please remember with warmer weather approaching, drive with caution. Our highway department works hard to maintain our roads. Drive carefully and slowly around road construction.**

# Town Historian

**Shaving Brushes  
Now You'll See 'Em  
In Some Museum  
Burma Shave**

I am sitting here on a cold and damp day in April, warmed by the thoughts of what will be happening "History Wise" in the Town this summer.

First off – this is the 30th Anniversary of the Town of Lockport Historical Society, and our new Leadership has come up with some interesting programs to celebrate this milestone. Everyone is invited to attend, and join if you wish. There are 46 names listed on the original list of "Charter Members" who worked on restoring the closed Pomeroy School, and I will be trying to contact those that are still around, to invite them to be recognized at our June picnic, at the Pomeroy School. If you were involved in the beginning, and I have not contacted you – please let me know. A Canal Cruise is planned for July, and more events being discussed.

As Town Historian, and an original member, I will be involved in the above, and also Town Community Day in July. I have spent a lot of time over the past year, working

with Richard Pomeroy Granse, the Great-Great Grandson of Jabez Pomeroy, who purchased a large amount of land on the Leete Road in 1816. He built a fine brick house on a raised portion of this land between 1825 and 1834. Jabez was described as a "successful businessman", who reportedly acquired a "modest fortune". Jabez moved to Michigan in 1836, and purchased property there. He later returned to Lockport, and died in 1879 at the age of 85, and is buried in Glenwood Cemetery.

Mr. Granse has ordered a Historical marker that will be placed in front of the original home this summer, with a Dedication to follow. I am also working on a Historical Marker to be placed at the Pomeroy family cemetery on Lower Mr. Road at the Town Line Road. There is also an interest in historical markers by several other owners of Historic Homes in the Town, and I hope to be working with them this year.

I am always looking for historical records and information about the Town of Lockport, and am really in need of info and records of the 1-room schools that were in the Town. There are several that I have nothing on.

If you have anything, or need information about the Town, please contact me. Like us on Facebook!

Larry Haseley, Town Historian  
434-1547, Cell 585-301-1672

### Lights...Camera...Action!

#### Summer Youth Television Program Lockport Community Television

Two sessions to choose from:  
July 9th - 26th, 2018  
OR  
August 6th - 23rd, 2018

Each session runs Monday through Thursday from 9:00 A.M. til 12 Noon  
No classroom fee!  
Session fee is \$75 per student, which covers all three weeks.

The Summer Youth Television Program is open to young people from the ages of 13 to 18. Participants will be introduced to the use of professional video equipment. Both studio and portable and will produce a short video project, which will air on LCTV and www.lctv.org. No previous experience is necessary. Two sessions are being offered for 2018: July 9th - 26th or August 6th - 23rd, and will meet from 9:00 AM until 12 noon on each of these weekdays except Friday.

Classes meet at LCTV's Youth TV Production Media studios at the Noonan Center Arena Annex, 515 Lombard Street, Lockport, NY, and make use of this facility as well as the beautifully landscaped 2.5-acre Noonan Center campus.

A field trip to either or TV news production facilities in Buffalo may be taken on one class day as this day does not start until later than usual. An informal parents' reception will be held in the evening at a date to be announced for parents, family members, and friends to view the students' work.

For more information and an application, please call the LCTV main office at (716) 433-3783. Applications are also available at [www.lctv.org](http://www.lctv.org).
