

TOWN OF LOCKPORT RESIDENT QUESTIONNAIRE

Your opinion matters and we want to hear from you! The main reason for this survey is to gauge your views on using carts for waste/refuse, as well as determining the best size recycling cart. Please answer the following questions and return the pre-paid postage post card by **May 13, 2016.**

1. Now that the Town will have recycling collected every-other week, which size cart best fits your household at <address>?

- 64 gallon 96 gallon (default)

2. We are considering an option to provide Refuse carts, as well. Please share your opinion.

- I am happy with the current 6 bag/can limit I would prefer to use a cart for Waste/Refuse

3. If the Town switched to carts for **refuse**, my household at <address> would need:

- 64 gallon 96 gallon (default) 2 - 96 gallon totes

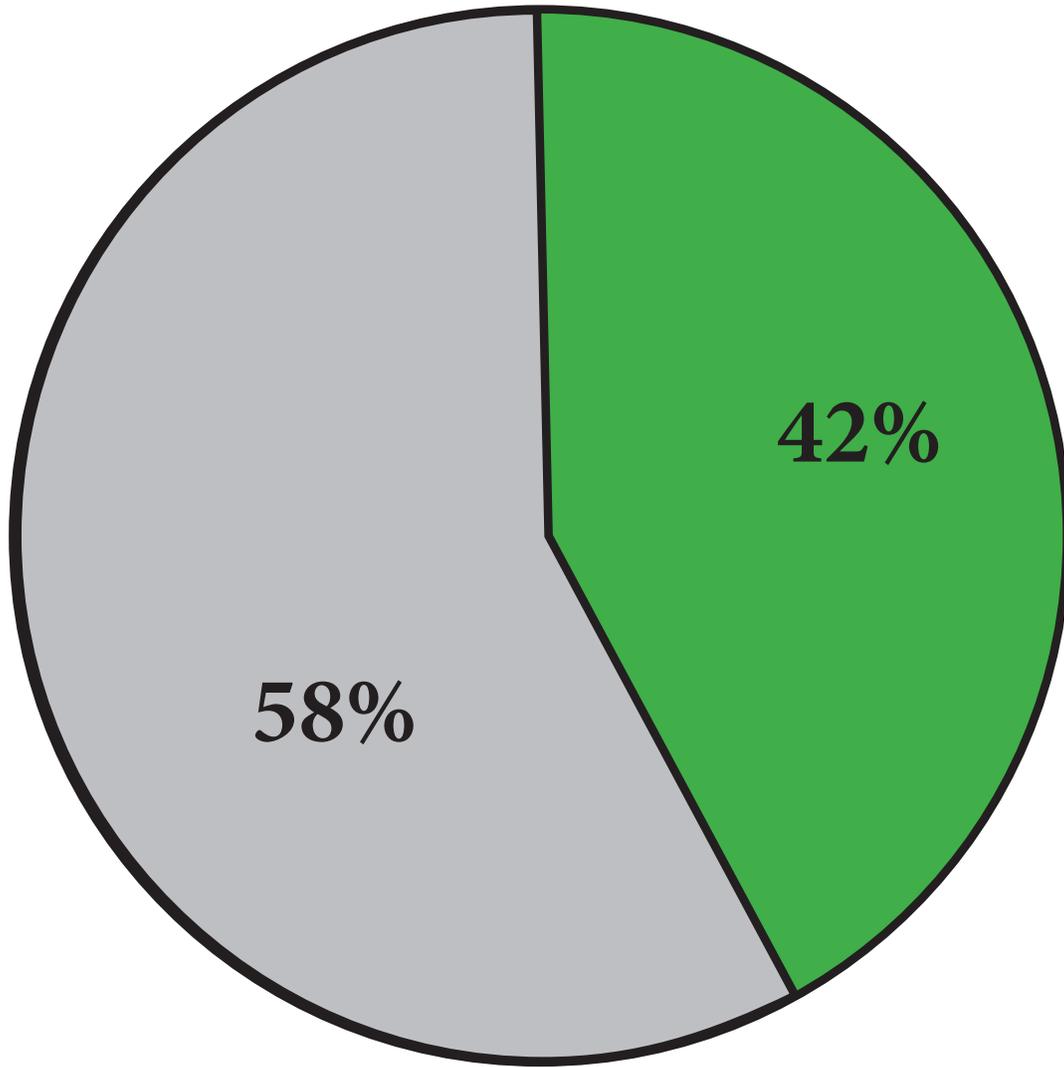

If you fail to respond to this survey, you will receive a standard 96 gallon cart.
