

NOTICE TO BIDDERS

Sealed Proposals will be received by the Town Board of the Town of Lockport on behalf of the Town of Lockport Water District No. 3 at the Town of Lockport Town Hall, 6560 Dysinger Road, Lockport, New York 14094, up to **11:00 A.M. E.S.T.**, or E.D.S.T., whichever prevails at the time, on **Wednesday, January 13, 2021** for the work described below at the location indicated. Due to COVID 19 restrictions, Bidders are requested to mail their bid or deliver prior to the time for the bid opening. Although the bid opening is a public meeting, in person attendance is discouraged. If attending, limit representation to one person. Bid results will be made available to the public following the bid opening by contacting Maria Seekins at Wendel at 716-688-0766.

**DESCRIPTION: CONTRACT NO. 160W
HINMAN ROAD WATERLINE REPLACEMENT &
LOCKPORT/PENDLETON METER PIT
WENDEL PROJECT NO. 0949-179**

The works consists of the following:

Base Bid: Installation of approximately 2,200 LF of a new 8-inch dia. PVC water distribution main, appurtenances, and water service transfers along Hinman Road, the abandonment of existing distribution main along Hinman Road, and the installation of a new metering and pressure reducing valve (PRV) chamber and associated piping, valves, and appurtenances at the intersection of Campbell Boulevard and Lockport Road.

Alternate No. 1: Installation of a new Meter, PRV, and related piping & fittings inside the new chamber near the intersection of Campbell Blvd. and Lockport Road; new 8-inch diameter waterline, fittings, valves, etc. by open cut excavation; and a connection to the existing waterline crossing Lockport Road to provide service to the Town of Pendleton as shown or noted on the plans.

Alternate No. 2: Installation of a new casing pipe by boring across Hinman Road at Campbell Blvd.; a temporary water mainline connection; and all other pipe, fittings, valves, etc. required to install the new 8-inch PVC waterline crossing Hinman Road as shown or noted on the plans. Work under this Alternate will only be required if the existing casing pipe cannot be re-used as determined and authorized by the Owner and the Engineer.

The Drawings, Specifications and Contract Documents under which the work is to be done are on file and may be examined at the office of Wendel WD Architecture, Engineering, Surveying & Landscape Architecture, P.C., 375 Essjay Road, Suite 200, Williamsville, New York 14221 and at the Town of Lockport Town Hall.

Copies of the above mentioned documents may be viewed and ordered through the following website on or after **Wednesday, December 9, 2020** www.avalonplanroom.com in the Public Bid section. If you do not have internet access or have questions on ordering from the site, please contact Avalon Document Services at (716) 995-7777. Drawings and specifications can be picked up at Avalon Document printing at 741 Main St, Buffalo, New York 14203, upon the nonrefundable payment of **\$30.00** per set. Payment can be made by credit card or by a check made payable to Avalon Document Services.

BY ORDER OF THE TOWN BOARD OF LOCKPORT

Date: December 8, 2020
