

**NOTICE OF PUBLIC HEARING
TOWN OF LOCKPORT TOWN BOARD**

PLEASE TAKE NOTICE that a Public Hearing will be held by the Town of Lockport Town Board, Niagara County, New York, on the 2nd day of March, 2016 commencing at 7:30 p.m. at the Town Hall, 6560 Dysinger Road, Lockport, New York, on the adoption of a proposed Local Law entitled "A Local Law Extending a Moratorium upon the Disposal of Sludge, Sewage Sludge, Septage and Bio Mass" an abstract of which is as follows:

The Town Board of the Town of Lockport continues to have under consideration and to review potential amendments to the Town Code in regard to solid waste and recycling. The Town Board desires to continue to review and address, in a careful manner, provisions relating to solid waste and recycling and the disposal of sludge, sewage sludge, septage and bio mass on a comprehensive and town wide basis and to amend and/or adopt appropriate provisions to achieve these purposes. The Town Board of the Town of Lockport finds it prudent and necessary to extend its moratorium applicable to solid waste and recycling and the disposal of sludge, sewage sludge, septage and bio mass. This moratorium is intended to ensure that no approvals for such land use application be granted or permitted until this Board can complete its planning studies and has had an opportunity to consider and enact appropriate amendments to the Code.

The complete text of said Law is on file at the Office of the Town Clerk, and is available for review by any interested person during business hours. At such Public Hearing, all persons interested, who wish to be heard, will be heard.
