

## NOTICE TO BIDDERS

Sealed Proposals will be received by the Town Board of the Town of Lockport on behalf of the Town of Lockport Sewer District No. 3 at the Town of Lockport Town Hall, 6560 Dysinger Road, Lockport, NY 14094, up to **11:00 A.M. E.S.T.**, or E.D.S.T., whichever prevails at the time, on **Monday, December 19, 2016** for the work described below at the location indicated.

**Description:**                    **Contract No. 167S-G**  
   **Contract No. 167S-E**  
   **Lockport Sewer CIP Phase 2A**  
   **Pump Station Rehabilitations & Generator Modifications**  
   **Wendel Project No. 1229-193**

### Contract No. 167S-G

The Base Bid work associated with Contract 167S-G-General consists of furnishing all labor, material, tools, equipment and services necessary to rehabilitate 16 different pump stations as shown, specified or as otherwise necessary.

Alternate Bid No.1 work associated with Contract 167S-G-General consists of furnishing all labor, material, tools, equipment and services necessary to assist with the installation of new natural gas generators at 7 different pump stations as shown, specified or as otherwise necessary.

Alternate Bid No.2 work associated with Contract 167S-G-General consists of furnishing all labor, material, tools, equipment and services necessary to clean the existing force mains at 16 different pump stations as shown, specified or as otherwise necessary.

### Contract No. 167S-E

The Base Bid work associated with Contract 167S-E-Electrical consists of furnishing all labor, material, tools, equipment and services necessary to rehabilitate pump stations and provide emergency standby natural gas generators including necessary ancillary equipment at 16 different pump stations as shown, specified or as otherwise necessary.

Alternate Bid No. 1 work associated with Contract 167S-E-Electrical consists of furnishing all labor, material, tools, equipment and services necessary to provide emergency standby natural gas generators including necessary ancillary equipment at 7 different pump stations as shown, specified or as otherwise necessary.

The Drawings, Specifications and Contract Documents under which the work is to be done are on file and may be examined at the office of Wendel WD Architecture, Engineering, Surveying & Landscape Architecture, P.C., 375 Essjay Road, Suite 200, Williamsville, New York 14221 and at the office of the Town of Lockport.

Copies of the above mentioned documents may be viewed and ordered through the following website on or after **November 21, 2016**: [www.avalonplanroom.com](http://www.avalonplanroom.com) in the Public Bid section. If you do not have internet access or have questions on ordering from the site, please contact Avalon Document Services at (716) 995-7777. Drawings and specifications can be picked up at Avalon Document printing at 741 Main St, Buffalo, NY 14203, upon the nonrefundable payment of \$65.00 per set. Payment can be made by credit card or by a check made payable to Avalon Document Services.

An optional pre-bid site visit will be held at **9:00 AM** prevailing time on **Thursday, December 8, 2016** at the Sweetwood Drive pump station located at 5770 Sweetwood Drive, Lockport, NY 14094. Immediately following the site visit at the Sweetwood Drive pump station, a second site visit will be performed at the Southview Gardens pump station at 6622 Royal Parkway, Lockport, NY 14094. This site-visit will allow prospective bidders an opportunity to look at a layout of the pump station sites, the existing pump stations interior, exterior and miscellaneous pump station equipment and to provide an opportunity for prospective bidders to review the scope of work associated with the project.

BY ORDER OF THE TOWN BOARD OF LOCKPORT
