Do hereby petition the Town of Lockport Highway Department for installing a culvert pipe for premises located at

\_\_\_\_\_

A \$50.00 application fee and a \$10.00 per lineal foot charge will be assessed. This fee does not include the cost of the pipe and accessories. An invoice will be sent once the highway department measures the site. No pipe will be installed until this fee has been paid by check. No cash will be accepted. A list of materials for the petitioner to purchase will accompany the invoice- No yard piping will be installed in the winter months. The Highway Superintendent will determine the type and size of pipe. The homeowner will purchase the pipe and accessories. The homeowner will mark and expose sump pump, gutter drains and drain lines before installation. After the pipe and accessories have been delivered to the above location, please notify the Highway Department at 439-9522 and allow 30 days for installation by the Highway Department (10 days for new construction)

The petitioner understands that, in making this application, all Rules and Regulations of the Town of Lockport Highway Department along with SPECIAL CONDITIONS page are hereby agreed to.
