

Town of Lockport Electronic Recycling Shed

New York passed The Electronic Equipment Recycling and Refuse Act. In 2015 it became unlawful for residential households in New York to place equipment at the curb for disposal.

New York State law requires manufacturers to take responsibility for recycling many types of electronic equipment they have produced. Like so many laws that are passed without the necessary thought as to the effects of each law, many of the required companies don't have a program in place yet to accept the electronic waste.

As a stop gap measure until all these companies develop their electronic waste programs, the Town will reopen our electronic waste shed behind Town Hall on Dysinger Road. Because recycling electronics costs the town up to 9 cents a pound, and because we are not charging a fee for this service, we are strictly limiting usage to **Town of Lockport Residents Only** (please be prepared to show ID).

The hours of operation for the Town of Lockport Recycling Shed are: The last Saturday of each month, 9:00 AM – 1:00 PM, April through October. NO after hour drop-offs will be permitted. Cameras are in place to protect and enforce the program.

ACCEPTABLE ELECTRONIC RECYCLING LIST

- Televisions (CRT, LCD, LED, PLASMA, 3D)
- Computer Monitors (CRT, LCD, LED)
- Computers (Desktops & Laptops)
- Printers (Ink or Toner)
- Microwave Ovens
- Copiers/Fax Machines
- Video Equipment (VCR, DVD & Video Cameras)

*****PLEASE LIMIT MONTHLY ELECTRONIC DROP OFF TO 4 ITEMS ONLY!*****

Thank you for your anticipated cooperation

Best regards,

Mark Procker
