

Town Hall Construction Update Entrance Relocation

On or about April 17th significant construction/renovation of the Town of Lockport Town Hall building will begin.

During the construction period there will be temporary office relocations within Town Hall for periods of time.

Residents should access offices through the rear entrance off Old Beattie Road during business hours. The after-hours drop box for water payments and dog licenses will also be located at that entrance.

All Town functions and staff will be available throughout the construction, and we apologize in advance for any inconvenience.
